CAREGIVER SUPPORT GROUP

sponsored by Easter Seals-Goodwill

Easter Seals-Goodwill is starting a caregiver support group in the Missoula area. The group is open to parents and caregivers who have a child with autism, sensory processing issues, or any other physical or behavioral challenges.

Our goal is to provide opportunities for caregivers to meet, learn from and support one another and to participate in discussions or presentations of interest to the group.

If you would be interested in participating, please contact
Abbey Hood at 406-217-8768
or email abigailh@esgw.org
for more information.
